

Enrichment Week
12th - 16th July 2027

WELCOME

It is with great delight that we are able to launch our 2027 summer Enrichment Week programme. All Key Stage 3 students will take part in this exciting week from Monday 12th to Friday 16th July 2027.

This week is an extension to our curriculum; we believe it is a fantastic opportunity for students to make new friends and create everlasting memories, but more importantly this week promotes the following enrichment outcomes:

- Helps young people engage and improve their social interaction
- Develops cultural awareness of the world around them
- Increases motivation and helps promote a healthy and active lifestyle
- Builds confidence and self-esteem
- Teaches and develops new skills
- Builds resilience and independence

We ask that you please read through this brochure carefully with your child and when deciding which trip or activity to choose, we ask that you focus on what you can afford and what your child would enjoy and gain the most from, not what their friends want to do.

We have tried to include a variety of trips with a variety of costs to cater for everyone's needs. We very much understand the cost of living challenges at present, but also acknowledge that trips such as these offer amazing opportunities for students. It is always a challenge to meet everyone's needs and much consideration and work has gone into ensuring we continue to offer such an enriching week for our young people. There will be a variety of free in school activities which will be arranged at a later date, but we would encourage your child to take part in Enrichment Week.

If your child is in receipt of Pupil Premium, they will be entitled to £50.00 to be spent on these trips only. If you would like to use this Pupil Premium, please email Mrs Stevens on jstevens@okehamptoncollege.devon.sch.uk requesting that this is used. Please be aware that you must pay the initial deposit to book your child's place. Pupil Premium will be applied to the final instalments of any trip. All trips require a deposit to secure a place.

Okehampton College aim for our selected activities to be accessible for all our young people. We understand that there may be specific barriers that as a family you are worried about which may influence trip choice. If you would like to discuss the SEND support available for any activities for your child, please contact the trip leader and or SEND faculty on send@okehamptoncollege.devon.sch.uk.

THE DETAILS

You will see from the brochure that trips are limited on the number of participants. To reserve a place on the trip your child wants to take part in, please log into School Gateway and pay the deposit for the required trip. School Gateway will open on 30th October 2026 at 12.00am, midnight, for deposit payments and close on 6th November 2026. Following this, instalments will be put on School Gateway for payment thereon.

Instalment dates will be as follows:

- 1st Instalment – 30th November 2026
- 2nd Instalment – 31st December 2026
- 3rd Instalment – 31st January 2027
- 4th Instalment – 28th February 2027
- 5th Instalment – 31st March 2027

MORE DETAILS..

Please be advised that the details printed in this brochure are correct at the time of publication but may be subject to change. The prices printed are an approximate cost and based on the trip being completely filled to capacity, prices may increase, or some trips may not even run if the demand is not great enough. Please be advised that deposits for foreign residential trips will be a substantial amount and will be in line with the deposit invoices we receive from tour operators. We must be very strict on receipt of deposits, a place cannot be held for your child if we have not received the deposit, if instalments are not paid, your child could be removed from the trip.

Many of the trips/activities are a huge financial commitment for parents/carers, therefore please ensure that your child is motivated and enthused by their allocated trip/activity before paying the deposit, if your child changes their mind about their trip once the deposit has been paid, this is highly likely to result in the loss of your deposit. Once the college have paid deposits to activity providers and tour operators these will be strictly non-refundable, also non-transferable to an alternative trip. Each trip/activity will have a payment schedule and payments must be paid by the specified deadlines, this will allow us to ensure that we make prompt payments to our tour operators or activity providers on time. All payments must be made on time and all deposits are non-refundable. We would be grateful for parents/carers full support with this. Please note timings of trips are an estimate and are subject to change.

As with any school trip, conduct and behaviour taken into consideration. Students are representing the College and we need to feel confident that students are going to keep themselves and others safe, especially on residential and trips outside of school. Trip leaders will have conversations with families if they have concerns. The college reserve the right to withdraw the place should your child's behaviour or conduct in college not meet our expectations. Behaviour will be reviewed at the end of every term and we will contact you if we have any concerns regarding your child and their trip.

Students will need individual passports for residential trips abroad. Please ensure they are in date and apply early if a replacement is required. A free GHICard is also required. You can apply for one by [clicking here https://www.nhs.uk/using-the-nhs/healthcare-abroad/apply-for-a-free-uk-global-health-insurance-card-ghic/](https://www.nhs.uk/using-the-nhs/healthcare-abroad/apply-for-a-free-uk-global-health-insurance-card-ghic/)

All students are expected to take part in these activities either on a residential, day trips or free in school activities. Holidays booked during this week will be treated as unauthorised and you could receive a fine for taking your child out of school during this week.
